Class Outline:

Description:

Companies have become increasingly complex—both geographically and operationally. Old top-down leadership styles need to be replaced with two-way communication and collaboration. This four-hour condensed course will teach the specific tasks you'll need to orchestrate in order to lead teams successfully in today's organizations.

Table of Contents:

Part 1: The Task of Building a Team

The Value of Teams
The Definition of Team
Stages of Team Development
Types of Teams
The Language of Teams
